## Consent for Treatment & E-mail Communication

I voluntarily consent to routine procedures and other treatment by Desert Medical Imaging professionals and their assistants, appointees or consultants as is required in their judgment. I am aware that the practices of medicine, surgery and other health disciplines do not constitute exact sciences. I acknowledge that no guarantees have been made to me as to the result of treatments or examinations at Desert Medical Imaging.

I understand that for certain procedures deemed necessary by my physician, I may be required to sign a special consent form. Further, if I do not fully understand a procedure or its risks, consequences, and alternatives, I have the right to question the appropriate health care professional(s).

I understand that Desert Medical Imaging shall not be responsible or liable for loss of or damage to personal property.

I have read the above statements and the questions have been answered to the best of my abilities. I hereby certify that I understand its contents.

By providing my e-mail address either by written form below or in verbal communication, I hereby authorize Desert Medical Imaging to communicate with me via e-mail for such services as, but not limited to, sending of patient records, receipts for payments, and any other notifications or announcements. I further authorize for Desert Medical Imaging to communicate with my physician(s) via electronic methods regarding my health records.

# ASSIGNMENT OF BENEFITS

**Precertification Responsibility:**
I understand that it is the insurer's responsibility to review anticipated courses of treatment. I understand that if the insurer determines that the treatment plan is necessary and appropriate and issues certification, the benefits of my health plan will be available to me according to my policy terms. However, if certification is denied, benefits may be withheld. I understand that precertification is the responsibility of the patient, financially responsible party, and /or the referring physician. I also understand that I will be financially responsible for any and all related charges incurred as a result of this treatment plan should the insurer either refuse to precertify the treatment or retrospectively determine that a specific service was inappropriate, or should the certification occur too late to be valid. I understand that to protect myself from unnecessary personal financial obligations, I must review my obligations with my insurance company and personal physician in advance of my appointment.

I have read, understand and accept the above precertification responsibility _________ (Initials)

**Assignment of Benefits:**
In consideration if the services provided to me by Desert Medical Imaging, I hereby authorize, assign, and transfer payment of any and all benefits due to me under the terms of any insurance policy or policies that may cover the procedure performed on me directly to Desert Medical Imaging on any claim from submitted to my insurance carrier. I understand that this assignment does not relieve me of any financial responsibility that I may have for payment of charges not paid for by the insurance company, such as deductibles, coinsurance, co-pays, or denied claims.

I have read, understand and accept the above assignment of benefits _________ (Initials)

**Authorization for Release of Medical Information:**
I authorize any insurance company, employer, hospital, physician, psychologist, agency, or utilization review representative to release to Desert Medical Imaging any and all information with respect to me, which may have a bearing on any benefits payable by my insurance company for the procedure performed on me. I hereby designate Desert Medical Imaging, and/or their authorized agents as my authorized representative to pursue my appeal rights.

I have read, understand and accept the above release of information _________ (Initials)

**Financial Responsibility:**
I understand that my insurance company is being billed as a courtesy to me and that I am financially responsible for charges not covered by the Assignment of Benefits. One such charge may be my patient responsibility as dictated by a deductable, co-insurance, or co-payment responsibility required by my insurance carrier. Desert Medical Imaging may require an up-front payment by me for the estimated patient responsibility. I understand that any amount collected by Desert Medical Imaging from me is considered only an estimate until such time as the claim has been fully processed by my insurance carrier. Desert Medical Imaging may not know whether benefits will be denied until the insurance carrier had processed the claim. I hereby individually obligate myself to pay my account with Desert Medical Imaging in accordance with regular rates and terms of Desert Medical Imaging, in the event that the account remains unpaid by the insurance carrier after sixty (60) days from the procedure date. Should the account be referred to an attorney or a collection agency for collection, I shall pay reasonable attorney's fees and collection expenses.

I have read, understand and accept the above financial responsibility _________ (initials)

*For all instances above wherein the document refers to the patient in the first person, the definition of said person also extends to my dependant(s) or those in my care for which I am financially responsible.*

**I HAVE READ, UNDERSTAND AND ACCEPTED MY RESPONSIBILIES AND AUTHORIZED AN ASSIGNMENT OF MY BENEFITS TO DESERT MEDICAL IMAGING AS FURTHER DESCRIBED ON THEIS FORM. I HEREBY CONSENT TO EACH OF THEM. THIS AUTHORIZATION SHALL REMAIN IN EFFECT UNTIL REVOKED IN WRITING BY THE UNDERSIGNED.**
