Jonathan Blevins, M.D.
PROFESSIONAL BACKGROUND

Jonathan Blevins, MD, a Diagnostic Radiologist, specializing in musculoskeletal imaging.

Dr. Jonathan Blevins is board certified in diagnostic radiology by the American Board of Radiology and is a member of American Roentgen Ray Society.

Dr. Jonathan Blevins comes to Halo Diagnostics (formally *Desert Medical Imaging*), with nearly eight years of experience after completing his clinical fellowship in Musculoskeletal Radiology at University of California, San Francisco. Originally from Bay Village, Ohio, Dr. Blevins received his undergraduate degree from Princeton University where he played varsity football as the quarterback. He then went on to obtain a master's degree in physiology and biophysics and later a medical degree from Georgetown University. Following graduation he attended University of Pittsburgh School of Medicine to complete a residency in diagnostic radiology. He is now a specialist in his field and routinely performs diagnostic and therapeutic joint injections and employs advanced techniques for joint and spine imaging.

Dr. Blevins lives in Palm Desert with his wife and dog, and is excited to bring his expertise and passion for his work to Desert Medical Imaging.
